Re: United States v. Avila, et al. (Tyler Patterson)
Ind. #: (S3) 19 Cr. 166 (VEC)

Dear Judge Caproni:

I write to respectfully request a three week extension of the date for the filing of the defense sentence submission in this matter, and an adjournment of the sentence date to a date in early January, 2022. I am gathering documents and information relevant to sentence through family members, schools, treatment providers, and the jail at which my client is currently housed, and these materials will be central to the defense presentation on sentence. I have written the government to request its position regarding this application, but have not yet heard back.

Thank you very much for your attention. If your Honor desires further information with respect to this application, it is requested that the undersigned be contacted.

Sincerely,

Robert A. Soloway
